

March Highlights

Marci's Moment

"Practicing gratitude invites joy into our lives" is a central theme in Brené Brown's book, *The Gift of Imperfection*. The images shared on our Facebook page, the conversations enjoyed during meals, and the stories exchanged by the fireplace all contribute to this sense of joy. I chose to include the top picture, which beautifully captures the sweetness between two women who didn't know one another, but clearly share a bond of care and kindness as new neighbors.

We had a fun St. Patrick's Day family night filled with delicious food and plenty of laughter. I am grateful for our dedicated staff in all departments, whose efforts allow us to come together and experience joy with our residents and their families.

Employee Spotlight: Cindy Barnhill

Cindy joined us in September as our Resident Care Director, and she is amazing. We had a resident who was rehabilitating at a skilled nursing facility in town, and Cindy went by on a Sunday afternoon to check on her. Cindy goes the extra mile, and it means so much to residents and their families. I'm grateful she serves with her heart as well as her mind to help provide the best care every day.

**New Salon Manager:
Jo Beth Appleby**

Jo Beth joined us as our salon manager in February. She loves spending time with our residents and knows how important it is to make them look and feel their best with a fresh haircut and style. We are glad she is part of our team. Jo Beth is here all day on Tuesdays and Thursday afternoons.

Community Partner Spotlight:

The MNHHS Leadership Class spread joy and laughter during their visit. Who can resist the fun of crafting?
